Our German Shepherd Puppies are highly socialized.

VOM COUCEIRO GERMAN SHEPHERDS We do not believe in the KENNEL life for dogs. We believe that they need as much love and attention as any other family member. That's why all of our German Shepherds are treated the same. Our German Shepherd puppies are whelped in a climate controlled room with 24 hr supervision. They are given the best food available (origin). We train our German Shepherd puppies as soon as 10 weeks. They are given swimming therapy to get them used to pools and water in general. Our German Shepherd puppies are leash trained as well as basic obedience. We get them used to different sounds, people, pets. Everything we believe is important so when they go to their new home, the transition will be easier. Our German Shepherd Puppies are highly socialized with babies, children, teens, adults and other pets. We give them the respect they deserve and the warmth and loving atmosphere they yearn. Once our puppies are placed, we maintain contact with the buyer. We offer free counseling and advise for the new families. All content of this listing belongs to the Owner in this Listing!
