### Our aim is to breed the best German Shepherd Dog

Petworld Kennel Club Our aim is to breed the best German Shepherd Dog. What is the best German Shepherd Dog? It means good anatomy without genetic problems but character. My type of German Shepherd Dog is big and strong with a masculine head, good colour and strong pigmentation. And of course the best character. What is a best character? I don't like dogs that make bite work in the shows but don't make guard in real life. For me good character German Shepherd Dogs are very friendly with family and children but protective against strangers. All content of this listing belongs to the Owner in this Listing!
