The leash allows you to walk two dogs weighing approximately 150 pounds. The EZ Steps leash stretches gently, creating a truly comfortable walking experience for both you and your pet. The EZ Steps Dual Pet Leash is designed to absorb shock when your dogs pull or jump. The shock absorbing properties minimize imapact on your neck, shoulders, and arms. It's the perfect solution for keeping your dogs safe, close, and comfortable. The tangle-free leash is made with durable webbing and a cushioned, ergonomic handle. Small leash measures 48" long. Bergan products are designed to help you enjoy life with your pet. EZ Steps leash is a low impact gentle and humane pet restraint. Advanced rubber technologies generate shock-absorption while maintaining durability. EZ Steps is friendlier to the pet, but also minimizes stress and tension on pet owner's neck and back.
