San Diego Schutzhund Club Our Family Oriented club is dedicated to the development of the TOTAL German Shepherd Dog and participates in and hosts Schutzhund Trials, Conformation Shows and Breed Surveys. Established in 1981, the Club affiliated with the United Schutzhund Clubs of America (USCA) in 1982. In 1999, a second club was formed under the name San Diego Schutzhund Club - WDA. This club is associated with the German Shepherd Club of America - Working Dog Association. Although separate entities with different memberships, both clubs worked together to promote the German Shepherd Dog through schutzhund trials, conformation shows and breed surveys under a joint training program. One of the earliest clubs in the southwest, we recently hosted our 45th schutzhund trial and 17th conformation show. In addition to hosting several regional events, the San Diego Schutzhund Club hosted the second USA Sieger Show in 1991 and the 2001 GSDCA-WDA North American Sieger Show. Since our first trial, club members have trained over 30 dogs to SchH3 degrees with 23 individuals achieving entrance to the Schutzhund III club. Other accomplishments by club members include over 80 AD, 75 BH, 60 SchH1, 30 SchH2, 4 IPO3 and 3 FH1 titles. Club members relax and brag about our dogs at our annual party and the many dinners honoring our judges. We also take time to socialize with our dogs. A favorite activity is a Wandertag - a day with our dogs in nature or on a group walk along San Diego bay, beside the beach or through our local parks. We are proud of our accomplishments as a club, and welcome new German Shepherd Dog owners who desire to join us in our activities. All content of this listing belongs to the Owner in this Listing!
