Nice Packaging that makes for great gift giving. Perfect Holiday Decoration. Durable to maintain its great appearance. Product Description: GSDsite.com. Introducing this year's trendiest Christmas ball ornaments! These German Shepherd ornaments are measuring 3 inches in diameter and come equipped with the most convenient feature: they're SHATTER PROOF! If your furry friend decides to climb the tree or runs past it a little too quickly, don't worry; these ornaments won't break into little pieces all over your floor like other ball ornaments would. Each and every German Shepherd Christmas ball is designed to perfection with a realistic hand crafted picture of your favorite pets. We are currently the only company manufacturing these shatter proof German Shepherd Christmas ball ornaments and can guarantee it'll be the best and most durable Christmas item in your home for years to come. These ornaments are also easy to personalize with a sharpie, adding that do it yourself feel for that extra special touch! These are also great for gift giving. Each ornament comes packaged in a Christmas decorated box surrounded by Christmas sayings with each German Shepherd face showing through the front like a picture frame. Shatter proof Christmas ball ornaments are irresistible at this great price and quality.
