Artemis Pet Photography and GraphicsWe started out back in 2000, when we wanted to have our pets photos taken but there was nobody who would do them so i very became interested in photography started off with a simple camera and started to photograph my own pets and within time i was taking photos for friends...? updated my camera equipment and started to learn photoshop. We have been sucessful with our photos in various contests in 2008 we entered an international pet contest and we came 2nd place (non voting contest) and we came 2nd place again last year.. we entered a calender contest and our 7 photos came in 1st, 2nd, 3rd, 4th, 5th, 6th and 7th and had the most votes...Our first project we made a gsd calender 2013, we was sucessful with that and we are working on an international gsd calender, diary, notebooks for 2014. if you are interested in taking part please contact me for more details..we have had numerous requests to do photo collages, so for a limited time only we are offering a special promotion until the end of April, to take advantage of this offer please contact me for more details.....thank youSevda AçıkBu listenin tüm içerik, bu Listesinde Sahibi aittir!
