Wild Winds German Shepherds is a small breeding operation, German Shepherds have been our passion since 1998. We are located on a beautiful 45 acre farm in Arthur, Ontario. Our dogs are members of our family, they share our home and are not kenneled. Puppies are raised in a loving environment, and are exposed to various ages of children and everyday situations. We are very proud of the puppies we produce and keep the best interest of our dogs first and foremost at all times. We are out and about competing with our dogs in Obedience, Herding and Tracking. We strive to produce healthy, well-adjusted babies that will mature into awesome family members. Our pups will excel at any discipline, including obedience, tracking, therapy, herding and agility. We stand behind every puppy we produce, offering lifetime support to new owners, puppies come with 3 yr written guarantee and if your circumstances should change, we will always provide a home for any of our puppies.
