AKC Solid Black German Shepherds

We at Kelley's K9s take great pride in producing magnificent Solid Black German Shepherds. Our program is based on the Philosophy that the strength of a gene pool is in its diversity. We breed for integrity of structure and temperament. Our puppies are socialized and handled daily with gentleness, kindness and plenty of love. We raise our German Shepherd Puppies to be a wonderful addition to your family - a protector and true best friend for many years to come. All of our German Shepherd Dogs are AKC registered and undergo yearly health screenings to ensure the longevity of the breed. We are passionate about upholding the integrity of our breed with the highest degree of respect for our German Shepherds. We also produce Solid Blue German Shepherds with some of our breedings.
