Dragon German Shepherds You will be able to find that special Czech German Shepherd, puppy or Trained German Shepherd dog. The companion of a lifetime! Czech German Shepherds, Puppies available, family protection, civil working dogs, personal protection, SAR, SchH, family pet, and police K9's. All puppies are Fully Guaranteed. I have raised German Shepherd Dogs for over 30 years now. I study pedigrees sometimes more than 20+ generations back for the most stable genetics possible. I have trained dogs, showed dogs, worked dogs, and even been the bad guy to take the bites. I still do these things only on a smaller scale as my age says I must not do so much. I have solidly healthy dogs with none of the diseases that a lot of German Shepherds have these days. My dogs don't have eye problems, no blood disorders, no heart issues and live long lives. The backgrounds come from proven dogs with very little hip and elbow problems. No German Shepherds are totally free of joint disorders, but knowing what is behind your dogs gives you a foot up on what to expect. All content of this listing belongs to the Owner in this Listing!
