Blackhaven Shepherds

<http://www.blackhavenshepherds.com>

We specialize in Blacks and Dark Coats, temperament, trainability and family companions.

Here at Blackhaven Shepherds, we strive for the noble companion for anyone, be it conformation, obedience, agility or just a loyal and loving partner for your family. We breed for companionship, trainability, loyalty, soundness, healthy minds and bodies, blacks and dark colours. Our breeding stock are all certified, socialized, and only trained with positive reinforcement. All pups are home raised and handled right from birth. We are a small hobby kennel but we want to share with others our knowledge, experiences, love, dedication, commitment, and loyalty for these awesome animals called the German Shepherds (which we love to talk about).
