HAWKEYE GERMAN SHEPHERD PUPPIES AND DOGS

<http://www.hawkeyeshepherds.com>

At Hawkeye German Shepherds our mission is to utilize world class German bloodlines.

HAWKEYE GERMAN SHEPHERDS The versatility of our dogs is true to the breed. You will find them on the Schutzhund field, in the show ring and working as therapy and service dogs. Certainly as important is the role our German Shepherds fill as loyal family companions and protectors. We are located in Illinois forty miles outside of Chicago. Our litters are born and raised in the home exclusively. We never breed more than two to three litters per year. This allows us to focus individual attention on each and every puppy. We begin neurological stimulation at day three of the puppy's life and they are temperament tested at forty eight days. In addition our German Shepherd puppies are socialized to children, adults and other dogs. We feel this is a crucial foundation for the puppy reaching its true potential.
