Our Large Whole Elk Antler Dog Chews Are The Highest Quality Available Anywhere. Grade A Premium Antler. Hand Sorted and Hand Picked To Meet Our Most Stringent Quality Guidelines.- Large whole elk antlers for dogs 25 lbs and over. They are 7 to 12 inches long and are sized to be the largest in the industry.- They are a fantastic natural source of calcium, phosphorus, manganese and zinc. A natural vitamin/mineral source is much better for dogs than chemically added vitamins/minerals.- Great source of tartar control for your dog's teeth.- They are great for indoors. Extremely long lasting and create no stinky, sticky, greasy mess on your floor or on your hands. Our Elk Antlers For Dogs Are Hand Picked and Hand Sorted Specifically for Jim Hodges Dog Training to be the Highest Quality Dog Chews For Our Clients. We pay more; but frankly, we feel our dog clients are worth it.- We use only Premium Grade A Elk Antlers to insure the freshest, safest, longest lasting antler. Grade A antlers are the highest grade of antlers available.- Why Whole Elk Antlers instead of Split Antler Chews? Whole antlers are safer (less chance of splintering) and longer lasting (split antlers are chewed faster as the dog has immediate access to the marrow).- Our Antlers are From Free Ranging Elk. They are naturally shed and picked from the forest floor here in the United States. No Elk Farms!
