Haus Merkel has over 42 years of preserving and advancing the German Shepherd Breed. We are Independent Professional Breeders with a passion for the German Shepherd Breed

V Putz vom Haus Merkel SchH3, Kkl 1a Haus Merkel has over 42 years of preserving and advancing the German Shepherd Breed. We are Independent Professional Breeders with a passion for the German Shepherd Breed; gaining intricate knowledge of German Shepherds through many years of hard work and study. Commercial breeders, puppy mills and backyard breeders are only interested in profit and not the welfare of the breed or the individual dogs in their care. We as Professional German Shepherd Breeders care not only for the welfare of the individual dogs we own but dedicate our lives to promote the German Shepherd Breed for everyone to enjoy.
