German Shepherd Dogs from the Czech Republic

If you have any questions about purchasing a pup please contact us by e-mail. Once you have decided you want a pup we will happily give you our full home address details either by e-mail or on the phone. Deposits strictly in the order received will ensure a pick for a male or female and your choice of male or female and city/state will be posted on the web site on receipt of the money order. €200 is the normal deposit to reserve a pup. Any deposit – just as we have paid in the past for one of our dogs - is nonrefundable, as is normal practice, but is transferable to another litter if the need arises. Should the puppy die or for some unforeseen reason not be healthy enough to be sold then we will refund your deposit in full. We won't actually insist you buy another pup from this litter – unless you choose to do so. If anyone wants to buy a pup and have it shipped out of state by air then please contact us by e-mail so we can talk about your requirements. We offer a full FCI (four generation) export pedigree and AKC transfer so you can show the dog or breed the dog. Veškerý obsah tohoto seznamu patří k Pronajímatel v tomto seznamu!
