York Woods German Shepherds It is our goal to produce quality, healthy German Shepherd puppies with stable temperaments and solid nerves. Our litters are born and raised in our home. We raise one litter a year and take time to socialize the puppies and expose them to a variety of age-appropriate situations before they head off to their new homes. Our puppies have found homes in Maine, New Hampshire, Vermont, Massachusetts and Connecticut. We are located an hour north of Boston, MA, an hour south of Portland, ME and about an hour east of Concord, NH. All puppies come with AKC papers, a complete physical and health certificate from our vet, first shot and wormings as well as a one year health guarantee against any problem that is hereditary or congenital.
