German Shepherd Dog Mold Polyethylene Plastic Mold Measures 12 inches and 12 inches 1 3/4 inches thick Each order comes with easy to use basic instructions Product Description German Shepherd concrete mold. This is a great dog mold to make into a beautiful stepping stone for your garden or use with plaster to make into a decorative wall plaque for your home. This German Shepherd mold makes a finished piece that will measure approximately 12 inches by 12 inches and 1 3/4 inches thick. To make into a decorative wall plaque just pour the mold the thickness you desire. Are dog molds are great for dog shows and local fundraisers. All molds come with basic instructions for creating your pieces. Molds are ideal for business or hobby use. Our molds are made of several different blends of polyethylene plastic which allows you to use the molds over and over. Our plastic is somewhat flexible so it allows for your finished pieces to be removed from the molds easily. Our molds are a great way for you save money on that do it yourself project, create the finished look you want for pennies compared to what you would pay for these at a retail store. Or maybe your looking at making some extra money and want to start your own business, we have lots of different molds to choose from. Make your own patio pavers to decorative stepping stones as well as garden benches and downspouts we've got you covered. You can use plaster, concrete, cement, mortar, resin and soap in all of our molds. We ship UPS and USPS - so please include a physical address to ship to if you have a po box as some packages could be shipped out UPS due to the size, weight and location. Please note that international orders that shipping fees do not cover any additional charges that your country may declare as an import tax or fee once it enters your country. Every country has different regulations and not all have additional fees but we want all international buyers to be aware prior to making their purchases.
