Our Mission and Adoption Policy Coastal German Shepherd Rescue of San Diego is a 501(c)3 non-profit charity dedicated to finding loving homes for abandoned German Shepherds. Your tax deductible donations go to support these very deserving animals. Coastal is dedicated to providing new beginnings for homeless German Shepherds who have been abandoned, neglected, abused, relinquished by their owners or just left at local shelters to await an uncertain future. We are committed to finding loving permanent homes for the Orphaned dogs in our care. Coastal is an all volunteer, no-kill, non profit organization. Our mission is to educate the public about German Shepherds, their lifespan, personality, activity level, along with overall responsible dog ownership. We also raise awareness of over population of animals through education, training, spaying and neutering. We work very hard to match each dog with the adoptive families. All prospective adoptive families must complete an on line application followed by a telephone interview and then receive a home visit before a German Shepherd is placed in their forever home. If you have a German Shepherd that you can no longer care for please see our Rehoming Information. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
