The Scarborough Select German Shepherd Schutzhund Club is committed to: Promote the sport of Schutzhund and the German Shepherd dog

Our club has firm roots in the Toronto Schutzhund community since 1992. Our main facility in Markham, Ontario has a standard Schutzhund field with all the equipment available to our members. Our prime goal is to train and develop the total German Shepherd dog in both work and conformation, but not sacrificing one over the other. We have been successful in titling a number of dogs over the years, and our membership continues to grow. Located in Markham Ontario, The Scarborough Select German Shepherd Schutzhund Club evolved in 1992. As members, our common interest is working with our dogs and being able to train them to the best of their intelligence and ability with the utmost control in a fun and friendly environment. Main Grounds The club is located on 9th line, north of Elgin Mills, south of 19th Avenue. The entrance is along a dirt road on the west side of 9th line.
