Diamond Match produces excellent temperaments, working abilities, structure and rich colors using the most accomplished bloodlines in Germany.

Diamond Match German Shepherds We are a small, family owned breeder of top quality Working Line German Shepherds. We are located on five acres of Old New England family farmland dating back to the 1700's. Open fields and miles of wooded trails provide the optimal environment to breed, raise and train our beautiful German Shepherds. We are centrally located to many cities of New England. We are approximately 2 hours from Boston, 2.5 hours from Providence, RI; 1.5 hours from Worcester, MA; 1 hour from Springfield, MA; 1.5 hours from Hartford, CT and 3.5 hours from New York City. For over 15 years we have owned, trained, and bred German Shepherds. In recent years we have begun to take our breeding program more seriously. This has led to the investment of better facilities for our program and more importantly top quality imports of SV pink papered, titled, West German Working Line as well as Show Line Shepherds. We have been working hard to promote the careful breeding of top line German Shepherds. These wonderful dogs have become a passion as we have come to love their look, temperaments, drives and obedience. All content of this listing belongs to the Owner in this Listing!
