Vom Haus Wildfang

The kennel Wildfang has been in existence since 2004.

Vom Haus Wildfang Wildfang (pronounced "Vilfang") is from our German heritage, brought to the United States in about 1734 where our ancestors settled in Berks County, PA known as "Pennsylvania Dutch" country although the people were mostly of German origin. It is with great pride that we chose Wildfang as our kennel name. The kennel Wildfang has been in existence since 2004. The early years were spent in researching, learning and acquiring healthy, well-bred German Shepherds that are superior representatives of the breed and have the qualities we want to perpetuate. Our goal has always been to breed fine, pure European lineage German Shepherds. Dogs and animals of all kinds have always been in our lives but the German Shepherd captured our eye and heart with its beauty, intelligence, grace and loyalty.
