WORKING GERMAN SHEPHERD DOGS

ADLER STEIN KENNELS All of our breeding stock are either O.F.A. certified or have a German "a" stamp or equivalent hip status approval by another FCI-recognized nation. All Adler Stein puppies receive their first Parvo/Distemper puppy inoculation, a full series of wormings and all other necessary health maintenance, including the highest quality food and supplementation, before they are ready to go to their new homes at the age of 8 weeks. All puppies are handled and socialized extensively on a daily basis, from the day they are born until the time they go to their new homes. All Adler Stein puppies are tattooed. Microchipping is available upon request. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
