Creekwood Acres German Shepherds

<http://www.creekwoodacres.com>

if you are looking for basic obedience training or wanting to have your dog trained for personal protection we have just the trainer for you. He is an excellent trainer and has been training dogs for over 25 years.

We are located about an hour outside of Charlotte, NC in the country. We have a small farm for our dogs and horses to run and play. On any given day you will find our dogs running, playing and even going for a swim in our pond. We breed for temperament and intelligence. All of our puppies are very well socialized before going to their new homes. Our puppies are friendly, intelligent, and affectionate and have great personalities. They are ready to go to their new homes around 8 weeks old and have their first set of shots and have been wormed several times. They are eating solid food and will come with a small bag of food and puppy pack. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
