A German Shepherd dog working line breeding kennel and training kennel for Schutzhund/IPO and personal protection

Zwinger vom Vogelbergblick Sigrid and her family purchased their first German Shepherd dog in 1991. Shadow was trained as personal protection dog. Handling Shadow and the family's next personal protection dog Rico, Sigrid fell in love with the intelligence, athleticism, power and loyalty of the breed. Having actively involved her children in the training of their family's dogs. Sigrid's son decided he wanted to learn more about helper work. Matt went to Germany to work with Oliver Schaffhuber and Helmut Huber who told him that in order to become a good helper he should learn to handle his own dog. Sigrid and her husband decided to purchase a puppy for Matt. This is how Taya vom Weinbergblick joined their family. After a few months it became apparent that Matt's new job did not allow him to raise and train a puppy. Sigrid took over and educated herself about the sport of Schutzhund which included several trips back to Germany for training. She went on to title Taya all the way to SchH3. and competed with Taya at the 2010 GSDCA-WDA National Championship. All content of this listing belongs to the Owner in this Listing!
