â€œWe do not rear dogs. We breed pure German Shepherd Dogsâ€

Kiunadogs started as a two-dog affair in the mid-1980s. After a violent break-in at the Kiuna household we purchased two German Shepherd dogs (GSD). This purchase was preceded by another attempted robbery which was halted by the two dogs that not only kept the thugs out of the compound but alerted us to the disturbance. Since our introduction to GSDs we have grown to not only own but breed and train GSD dogs primarily as security dogs. Our dogs have continued to provide security to institutions and private individuals both locally and regionally. Our dogs have enhanced bloodlines from 1st class GSD working lines from Europe. In our kennels we have the traditional black and tan GSDs, Solid Black GSDs and dark sable GSDs. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
