"The character of the ideal GSD is loyal, courageous, confident and highly trainable. A good German Shepherd is the essence of the working and companion dog." Bonnie Dalzell

Casamoko Shepherds is a professional German Shepherd Breeder located Wisconsin. We were previously located in Massachusetts from 2005 to 2008 and in Rhode Island from 2008 to June of 2016. We strive to breed high quality German Shepherds that come as close to the AKC standard as possible. Health and temperament are our main concerns and being a veterinarian makes the health part essential. Our dogs are all well socialized and attend training classes from an early age.

Casamoko Shepherds strives to produce puppies that can do it all- so far we have puppies that are competing in conformation (dog shows), obedience, agility, rally, herding, tracking, therapy work, service dogs, schutzhund, barn hunt, nose work, lure coursing, and of course many that are wonderful companions and family members. We typically have one to two litters of puppies a year and are not a kennel that produces numerous litters per year and lives off of the dogs. This is strictly a hobby and is done with the intention of improving the breed and our lines. Good breeders do not make money off their dogs or puppies because the money is put back into the dogs. This is definitely the case at Casamoko Shepherds, as each year we spend more on the dogs than what we make. This is why this is a hobby and not a profession or business. Thankfully my work as a veterinarian allows me to support this hobby. Our dogs are a part of our family, first and foremost, and that is what we want for our puppies. We spend most of our free time training and traveling around the country with our dogs, competing in various events from conformation, agility, herding, tracking, obedience, rally and barn hunt. We strive to produce wonderful dogs that are loving family members for other people as well. Our dogs are exceptional examples of what a German Shepherd should be. If you are looking for a German Shepherd that is a cutie pie, with an outstanding temperament and health, and not just a pet, then please contact us so we can help you find your future family member. We are the proud home of 3 generations of OFA CHIC, Herding Instinct Certified, and GSDCA Temperament Certified Dogs!! All content of this listing belongs to the Owner in this Listing!
