Large Old-Fashioned German Shepherds

Ayers Legends German Shepherd Family yers Legends German Shepherds is family owned and operated out of Southern Oklahoma. Where we take pride in preserving the old fashion German Shepherd. For our family it is a passion to breed a German Shepherd that is Superior to any other G.S.D you'll find out there, while keeping Health & Temperament as our key focus but maintaining the integrity of what the Old Fashion G.S.D use to be. Without Health being 1st, nothing else really matters! From day 1 our pups are handled on a daily basis by our kids and by us. This helps them get a jump start in life by stimulating the neurological system, it helps develop a strong cardio system and helps make a pup that is ready to be a great family companion for adults & kids.
