Zimmerhoff German Shepherds is located in Eagle Creek, Oregon

Zimmerhoff German Shepherds is located in Eagle Creek, Oregon, about 15 miles east of Portland and is bordered by the foothills of the Cascades. Our beginnings in the working line of German Shepherds transformed from the need for safety and protection. As the overwhelming sense of security and companionship grew, our passion to become a part of the German Shepherd world grew with the addition of offspring of some of Germany's finest working line German Shepherd sires and dams through Kraftwerk.
