Quality Bred German Shepherd Dogs

Vom Hundhaus German Shepherds Quality Bred German Shepherds. Show/Schutzhund/Estate Protection, Service and Family Companions. Calm temperament and nerve. Beauty and Brains. A dog you cannot afford not to have!Quality German Shepherd Dogs are wonderful family companions. A stable GSD has a steady temperament and is patient and kind with even the youngest family members. Our two daughters were raised with this wonderful breed without incident. This is why it is critical that when a person/family decides upon a German Shepherd Dog for their pet, they must take extreme care that their new companion has strong blood lines. www.vomhundhaus.com We have 35 years of Breeding experience. We are a small hobby breeder producing less than 20 pups annually. We raise our Dogs in a family environment where they are hand held and socialized.Quality German Shepherd Dogs are wonderful family companions. A stable German Shepherd Dog has a steady temperament and is patient and kind with even the youngest family members. Our two daughters were raised with this wonderful breed without incident. This is why it is critical that when a person/family decides upon a German Shepherd Dog for their pet, they must take extreme care that their new companion has strong blood lines and the breeder uses high quality German shepherd dogs for their breeding practices.Being in the security industry especially in todays times it is critical for families to have a deterrent to crime and what better way than a family companion that is loyal,with beauty and brains. Our dogs can be used for protection, IPO, Agility, service, herding and family companions.We believe in quality not quantity!A dog you cannot afford not to haveWe have 35 years of Breeding experience.
