Our dogs and puppies are from We select this type of German Shepherd dog specifically because of their high level of intelligence

Working German Shepherds (GSD) A provider of working line German Shepherd Dogs and Puppies bred specifically for personal protection, security K-9, or sport work (Schutzhund). Potential working dog owners can not rely on luck to find the ideal canine companion and protector. We as the breeders are here to ensure our clients are getting what they want and need- Trustworthy, highly trainable dogs with natural intelligence and a confident outgoing temperament combined with superior physical condition and a solid genetic foundation. If you are seeking a world class working German Shepherd Dog or Puppy capable of protecting you and your family, look no further- In Dogs We Trust can provide you or your family with the same type of working German Shepherd dogs that have been saving lives through out history. Our facility is located in Hugo, Minnesota just north of Minneapolis and St. Paul. The dogs we own, train, and breed – live in our home; they interact with guests, clients, and family members. Welcome to In Dogs We Trust LLC., a provider of the Wir Vertrauen German Shepherd dog. German Shepherd Training Our German Shepherd training program is an in-board boot camp designed specifically for the German Shepherd. Dogs and puppies enrolled for this training will learn to sit, down, heel (walk at your side without pulling), and come on command. Boot Camp Training is the foundation for working German Shepherds, preparing them to work as service dogs, therapy companions, and personal family protectors. The other components of our boot camp are physical conditioning, socializations, distraction proofing, confidence building, and off-site training (field trips).
