### German Shepherd it's not our job, it's our passion...

Valor Land Welcome to Valor Land! We are devoted breeders of German Shepherd dogs in Cyprus, dedicated to implementing the highest quality standards for our breeding. All our German Shepherd Puppies for sale are the result of an extremely careful and selective breeding, having always in mind the promotion of quality of the German Shepherd Dog. We are family oriented breeders. This is why all our dogs are kept in houses with children, making sure they are treated in the best possible way so that their mental and body health is maintained at the highest possible level. Honesty is unconditional!; All health and work certificates our dogs obtain are real and indisputable. We breed for balanced characters; and healthy dogs while enhancing the natural beauty of this magnificent breed.
