Track - Obey - Protect

We are a small group of serious Schutzhund trainers interested in quality training and dogs with the proper drives and temperament for the work. We are a dedicated group and therefore keep our membership smaller to ensure the level of training remains high. Canyon K-9 Club's Training Director is one of only a very few people in America to compete in the World Championship with a dog bred, raised and trained in the United States, has assisted in the training of a number of other dogs who have competed there as well and has over 34 years experience training in Schutzhund as both the handler and Training Helper. If you have a strong interest in Schutzhund and are interested in above average SchH training, please e-mail or call for more information.
