#### Our goal is always to be a Breeder of Distinction

Von Waldberg German Shepherds Von Waldberg Kennels prides itself on being a clean, well regulated environment surrounded by a family atmosphere. Our breeding kennel and boarding kennel are set in a large rural farming area complete with our training facility on site. Owner Phil Skoog started training dogs 43 years ago and for the last 36 years has developed his own breeding program of the finest German Shepherds from imported stock. Phil's goal in his breeding program is to create German Shepherds that have the conformation to compete in the show ring and have the toughness and durability to compete in working dog competitions. These German Shepherds make great family pets and protectors. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
