If you are interested in developing or continuing a hobby in obedience, agility, tracking, or Schutzhund one of our puppies is exactly what you are looking for.

Kingspring Shepherds A working German Shepherd Breeder located in Hunterdon County NJ, just minutes from Pennsylvania. Our goal is health and temperament first. Our first generation of puppies have proven themselves highly intelligent with great temperaments. We produce healthy working and family type German Shepherd Dogs. Our dogs are our pets first. Our puppies are raised in the house with young children and cats. I will provide training tips at the time you pick up your puppy. All of our dogs are AKC registered, puppies included. Our goal is to produce healthy loving dogs that can become a part of your family also. Our dogs live with us in our house with our children and cats.
