We'd like to explain our acronym as stated in the slogan above: "THIS is what we breed for." THIS stands for Temperament, Health, Intelligence and Structure. These, we believe, are the four main components every breeder should take into consideration when choosing German Shepherd breed stock and German Shepherd breeding pairs. As Captain Max von Stephanitz, Father of the German Shepherd Dog so eloquently put it, "The most striking features of the correctly bred German Shepherd are firmness of nerves, attentiveness, unshockability, tractability, watchfulness, reliability and incorruptibility together with courage, fighting tenacity and hardness."
